

Achievement Highlight

Award Achievement:

This photograph shows the award that I achieved as a **Competitive Programming Trainer** of the **Premier University Computer Club**. This recognition was given in appreciation of my valuable contribution to training and mentoring students in competitive programming during the **Fall 2024** session. The award reflects my dedication, hard work, and commitment to enhancing problem-solving and programming skills among students.

Award Handover Moment:

This photograph captures the moment when my respected teacher handed over the award to me. It symbolizes recognition, guidance, and encouragement from my mentor and the academic community of **Premier University**. This moment is a source of pride and motivation for me to continue contributing to competitive programming and student development in the future.
